

"The CASIO IT-3000 all-in-one unit offering more than you imagine"

Casio's New IT-3000

The IT-3000 comes standard with an integrated high-speed thermal printer.

Casio recently certified the Sierra Wireless AirCard® 775 running on the Cingular GSM/EDGE network.

The combination of the IT-3000 with integrated printer, magnetic card reader, 2D CMOS imager, and the Sierra Wireless AirCard® 775 positions it as one of the best values for field service applications.

Compared to the competition Casio's IT-3000 is one of the best-ruggedized handheld values to be found:
